are black student tap shoes

Students will need the following items for class

Black Student Tap shoes and Pink Leather Ballet Slippers (with laces tucked in)

Dance Attire – leotard or unitard with tights or socks. Dance skirts are okay to wear but are not required. No bare feet and no jeans please.

Stud earrings are okay to wear but no other jewelry is allowed.

Students first and last name should be written on their dance shoes and place them in a small dance bag for the student to keep the shoes in when they are not wearing them.

Students will need both pairs of dance shoes for each class. We always start class wearing our tap shoes and change into our ballet shoes for ballet and jazz.

Classes are filled first come first serve. Some classes may be full prior to open house.

The slippers pictured here are **not** ballet shoes / slippers. As a matter of fact they are not safe to dance in because they are so slippery. The packaging makes them look like these are made for dancing.
