Class Placement:

Dancers are placed in class by age, knowledge of dance, attendance, and ability. If your dancer is absent often or does not apply themselves, they may not move to the next level until they have mastered their current level of dance. *See the Triple A's listed in this document.*

Dance Attire is determined by the genre of dance.

- Shorts are not acceptable dance attire.
- Sports uniforms are not dance attire.
- Tap shoes and Ballet shoes with laces / strings
- Dancers must always wear tights or socks with their dance shoes. Bare feet are not allowed inside the studio.

Stretch:

All dancers should warm-up their bodies before starting class. A dancer's body is their instrument. Dancers should start warming up as soon as you come in the studio.

Triple A's of Dance:

- **Attendance** –Dancers are making a once-a-week commitment to dance (per class). Encourage your dancer to honor that commitment with excellent attendance. Some routines have partner work, floor formations, and domino effects that work best when everyone is present. Arriving at dance on time, ready to dance, wearing proper dance attire and dance shoes.

- **Ability** – Executing the steps correctly, while also giving energy and excitement to your dance. When you have trouble with a combination ask for help and give it your all.

- **Attitude** – Students should be respectful to their fellow dancers and instructor. Dancers should encourage others and be a positive influence in our class while staying focused on learning the choreography and doing your best.

As dancers we have a common goal of performing to the best of our abilities. In order for us to reach this goal we must work together as a team. If everyone gives 100% effort, we will be successful. Dancers should have a CAN-DO attitude.

Attendance:

Students must attend classes regularly for their own benefit as well as the growth and development of the class as a whole. Our dance classes are based on individual commitment; however, they are fueled by team efforts. Students who miss multiple classes will have a diminished role in the recital. **3 absences in a row and / or a total 6 absences in a dance season is excessive.**

Sometimes you may need to miss class due to illness. Contagious dancers should not come to class. We do not want you sharing germs with the class.

By coming to class I assume that all students are healthy and able to dance to the fullest of their ability.

If there is a principal role (extra part) in the recital or a routine where dancers will be highlighted or given a special role, I will use the *Triple A's of Dance* to determine who is deserving of these special privileges.

Make-up Classes

Our studio offers make-up classes when classes are cancelled due to inclement weather or circumstances beyond my control. We may also need to reschedule classes so I may attend dance workshops, as well as trips with our dance studio. If I decide to cancel classes, I will send an email to everyone letting you know. If your dancer misses a class due to illness, etc. we do not offer make-up classes for them to attend.

Class Times:

Classes start on the hour and end 45 minutes later. Students may enter the studio 5 minutes prior to their class starting and should be picked up promptly at the end of class. This will give the students of the prior class a chance to gather their dance items and leave the studio with their parents. **Students / dance families should NEVER enter the studio while another class is in progress.** If a child is late for their own class, they should enter the studio quietly and join the class without interrupting it.

To ensure that each class receives the quality of education we enjoy providing. The studio reserves the right to charge a \$2.00 per minute early drop off / late pick-up fee. Being dropped off earlier than 5 minutes prior to class is considered an early drop off. Dancers should be picked up from class immediately, at the conclusion of class. We will open the door when we are ready for the parents to enter the studio. If parents are not present around the time the door is opened at the conclusion of class, this is considered late pick up. The time before and after each class is time for the instructor to sanitize the studio and prepare for her next class. Students should be picked up from class by an adult (i.e. a grandparent, aunt, another dance parent etc.) If someone other than the student's parent / guardian is going to pick them up, please let me know.

Observing Class:

Parents and visitors are not allowed inside the dance room during class. We will have Parent weeks periodically throughout the year, which will allow parents to come in and observe their child's class.

Food / Drinks:

Please do not bring food, candy (gum), drink, food trash, or drink trash into our studio. Older students may bring in plain bottled water (not flavored) since they need to stay hydrated, and their class involves floor work and faster paced moves. Soft drinks, tea, sugary drinks, flavored water, Gatorade, etc. are not allowed.

NO pets inside our studio. Some children are allergic while others may be terrified of animals.

Valuables:

I strongly advise that students DO NOT bring valuables such as jewelry, tablets, laptops, cell phones, smart watches, money, etc. into the dance room. Students wearing jewelry during class will be asked to remove it. Cell phones should be on vibrate or silent. Melissa Queen / Melissa's School of Dance is not responsible for lost, stolen or damaged valuables.

Parents and caregivers are responsible for informing others that bring your dancer to class about our policies.
