

Melissa's School of Dance Recital Program Pre-orders / Ads

Our recital program is a keepsake booklet that includes a list of our routines, recital order, performers names and well wish ads. You may pre-order recital programs for \$1.00 each. Recital programs will be sold at the door first come first serve. The cost at the door may be more; If you would like to place a well wish ad in our recital program the cost is listed below. This ad may include a professional (EAP) picture and brief well wish. You may also place an ad with only well wish (without a picture). *Due to copywriting, I will only use professional dance pictures that were taken at our studio during picture day.* Ads will be placed in the recital program as I receive them. Ads will not be accepted without payment in full. **I will accept ads through Tuesday, April 7th.** I will have a digital copy of all of the individual pictures from our picture day. This will assure that the black and white copy is the highest quality possible for our recital program ads. Please keep your well wish brief and appropriate. I reserve the right to change wording of ads if I find it necessary. The more words you include on your ad the smaller the font will be. Please print ad information below clearly so there are no errors. *I will send you an e-mail of the ad to confirm that the information is correct. Please reply immediately to the e-mail and let me know if there are any misspellings or wrong information. If I do not hear from you within 24 hours of me sending the e-mail it will be printed AS IS.* Ads will be placed in the program in the order in which I receive them.

Parents, Grandparents, Uncles, Aunts and friends are welcome to place ads in the program to a dancer at our studio. If you need additional ad forms please see Melissa before or after class.

(Return this section of the form with money for programs pre-orders and / or recital program ad)
